## Introducing Note Park Grazing Co. *Joe Attard*

In 2013, Joe Attard purchased a portion of his family's farm. Being the third generation to operate the property, Joe has a great passion for the cattle industry and farming the land.

Joe produces premium grass-fed and finished beef with a focus on sustainability of the land and high animal welfare standards to provide a healthy and ethically produced product for Mackay and surrounding areas. Joe breeds F1 Brangus beef cattle and grows a range of crops and pastures. With soil tests conducted regularly and the ability to irrigate, he is able to maintain consistent quality in his beef all year round.

Learn more during the mini farm tour hosted by Joe on arrival at Note Park.

Various cuts of meat will be available to purchase on the evening (credit card and cash accepted) and eskys will be available to store your goods under the bus.
