## FAMILY HOLIDAYS SHOULD ALWAYS BE FUN FOR EVERYONE

Helloworld Travel has put together packages for the most popular destinations with bonuses and sightseeing included to make your family holiday the best it can be. From the beaches and rainforest of Tropical Queensland to the bright lights and city sights of Sydney, we've done all the work to make your holiday stress free and full of fun!

### TROPICAL NORTH QUEENSLAND

Whether you're after a relaxing break or a wild adventure, Port Douglas and Cairns, with their city conveniences and laid-back village vibe, offer a perfect holiday haven where rainforest and reef collide. With one of the world's natural wonders on its doorstep, Tropical North Queensland not only offers the gateway to the Great Barrier Reef but the path to a treasure trove of cultural riches.

### THE WHITSUNDAYS

From the soft silica sands (the purest in the world) and Tiffany-blue waters of Whitehaven Beach to Bowen's gorgeous beaches and the tiny wisps of sand hidden away on secluded islands, the Whitsunday Islands boast an incomparable beauty.

Located in the heart of the Great Barrier Reef – the largest living organism on Earth – its 50 mesmerising shades of blue are filled with pretty living corals, lavishly-hued fish, marine turtles and more than 30 species of whales and dolphins. And with everything from catamarans, tall ships and speedboats to helicopters and seaplanes standing by to take you out to explore, visitors are spoilt for choice on how to experience it.

Mainland Airlie Beach is the gateway to the islands and the reef, with excellent accommodation for families, including the feature-packed BIG4 Adventure Whitsunday Resort. If you'd rather an island idyll, Daydream Island Resort & Living Reef provides a perfect playground for families.

### SUNSHINE COAST

Synonymous with Aussie family holidays, the Sunshine Coast's superb beaches and fertile hinterland have long been a favourite destination for Aussie kids. Little groms will want to flock to south-facing Kings Beach and Caloundra's Happy Valley for epic waves, while littlies might prefer the calmer waters of Mooloolaba and Noosa Main Beach.

If you'd rather explore than swim, the dreamy coloured sands of pretty Rainbow Beach might be a better pick. There's an embarrassing amount of national parks, with family favourites including Noosa National Park, Great Sandy National Park and the volcanic peaks of Glass House Mountains National Park.

Blessed with subtropical weather all year round, Brisbane is the perfect place for a relaxing and fun-loving getaway. The city captivates with world class shopping, cutting edge dining and attractions that beckon you outdoors. Here are some of our favourites:

### HOWARD SMITH WHARVES

The historic wharves are located on the edge of the city beneath the Story Bridge and are the city's newest entertainment and dining precinct. Home to acclaimed restaurants, bars including Felons Brewing Co. and Mr Percival's, green spaces and boutique hotels, it's the perfect spot to enjoy a drink and a bite to eat while taking in the amazing city and river views.

### BRISBANE RIVER CITYCATS

The iconic Brisbane River flows through the city linking the inner-city precincts with a range of attractions and outdoor activities. Hop on a CityCat to see Brisbane from a different perspective.

### FORTITUDE VALLEY

Known as 'The Valley', it is a hub of activity where sophisticated style meets off-beat charm. Be spoilt with the dining options, from street food to fine dining, The Valley has it covered. Shop for one-of-a-kind finds or browse the boutiques along James Street.
